- No additional waterproofing needed.
- Lightweight and high durability.
- Hygienic and crystal clear water.
- Earthquake-resistant.
- The perfect skin for your pool with no chance of any injury.
- Innovative pool designs for indoor & outdoor premises to suit your lifestyle.
- World class swimming pool construction and renovation by master craftsman.

Gym & Fitness Center

About Product:

At ARK, Our gym equipment is engineered with advanced biomechanics to support optimal body alignment, reduce strain, and enhance movement efficiency. Designed for home gyms, professional centers, and corporate wellness spaces, each product ensures superior performance, safety, and longevity. With ergonomic precision and durable construction, our equipment delivers a seamless, professional-grade fitness experience in any setting.

Our Unique Features :

- Our equipment stands out for its innovative technology and ergonomic design, offering a perfect balance of performance and comfort. Features like adjustable seats, padded grips, and contoured backrests ensure superior support, improve posture, and help prevent injuries during workouts.

- We offer a premium range of pre-loaded, plate-loaded, multi-station, and functional machines, along with durable dumbbell and plate racks. All frames are constructed using 3mm Q235 certified steel pipes for exceptional strength and longevity.

- Our machines feature high-quality Japanese cables with a 1,400kg load capacity, ensuring smooth and reliable performance. Complementing the setup, our adjustable benches are upholstered in PU leather, providing superior comfort and durability.

Theatres & Entertainment Zones

About Product:

At ARK, we bring the magic of cinema right to your doorstep. Our home theatre installations are designed to deliver an immersive audio-visual experience that rivals any multiplex. Whether you're watching the latest blockbuster or hosting a cozy movie night, our state-of-the-art sound systems, premium acoustics, and high-definition projection ensure every frame is unforgettable. Enjoy luxurious recliner seating, ambient lighting, and fully integrated smart controls that let you manage sound, lighting, and screen settings with a single touch. We customize each theatre to reflect your style, transforming any space into your personal, high-end cinema experience.

Our Unique Features :

- Custom Acoustic Paneling: Designed to enhance sound quality for a true cinematic experience.
- Smart Automation Integration: Control lighting, audio, video, and even recliners through a mobile app or voice assistant for ultimate convenience.
- 4K Ultra HD & Dolby Atmos Setup: Experience crystal-clear visuals and theater-grade surround sound, tailored to your room's dimensions.
- Luxury Recliner Seating with Ambient Lighting: Motorized recliners paired with soft LED lighting create a premium, multiplex-like vibe in the comfort of your home.

Gazebos & Outdoor Lounges

About Product:

At ARK, we craft elegant gazebos that add charm and functionality to your outdoor space. Whether it's a peaceful retreat, a stylish seating area, or an entertainment zone, our gazebos are built to blend aesthetics with durability. Designed to complement both modern and traditional landscapes, each structure becomes a centerpiece of relaxation and outdoor living.

Our Unique Features :

- **Weather-Resistant Materials:** Built with high-quality wood, metal, or composite materials to withstand all seasons.
- **Custom Roof & Lighting Options:** Choose from sloped, dome, or flat roof styles with integrated LED lighting for evening ambiance.
- **Modular Design Flexibility:** Easily expand or reconfigure your gazebo with modular components to fit changing needs or larger gatherings.
- **Integrated Utility Provisions:** Pre-wired setups for fans, lighting, or even outdoor speakers, making it event-ready from day one.

Children's Play Areas & Toddler Zones

About Product:

At ARK, we provide a complete range of indoor and outdoor play equipment, toys for both children & Toddlers—crafted to inspire active, safe, and joyful play. Engineered with advanced technology and built to the highest quality standards, our products stand out for their durability, safety, and smart design. With a strong focus on service and innovation, we help create play spaces that are both fun and future-ready

Our Unique Features :

- We take pride in delivering the latest, safest, and highest-quality play area solutions—both indoor and outdoor—specially designed for toddlers and children. Whether it's a vibrant outdoor playground or a creative indoor space, our products are built using cutting-edge technology with meticulous attention to detail.

- Our team ensures high precision in every component, guaranteeing long-term safety, durability, and performance. As the exclusive reseller of Little Fingers in Gujarat, we bring trusted global standards to local spaces—making us the go-to partner for innovative and reliable children's play environments.

Walking Tracks & Skating Rack

About Product:

At ARK, we are a premier flooring company specializing in high-performance surfaces for a variety of applications, including residential and commercial flooring, walking tracks, and skating rinks. Our products are crafted using top-grade materials to ensure slip resistance, easy cleaning, and low maintenance, while offering long-term durability and sustainability. Whether it's creating safe walking paths or smooth, resilient skating rinks, our focus remains on quality, innovation, and customer satisfaction.

Our Unique Features :

- Our company offers a unique range of high-performance flooring materials, designed to meet diverse needs across spaces and surfaces. We provide an extensive selection including Laminate, Vinyl, Linoleum, Rubber, and EPDM flooring, ideal for both residential and commercial environments.

- For skating rinks, we specialize in Hardwood, Synthetic Acrylic Sports Flooring, and Rubber Floors, engineered for durability, performance, and safety.

- All our materials feature an exceptionally smooth surface finish, enhanced slip resistance, and are built for UV resistance, impact protection, and weatherproof performance. Most of our flooring solutions are also recyclable, reflecting our commitment to sustainability without compromising quality.

Indoor Games & Recreation Zones

About Product:

At ARK, we offer a wide selection of indoor games designed to bring fun, relaxation, and friendly competition to any space. Our collection includes Pool Table, Table Tennis, Foosball, Air Hockey, Dart Game, Chess, and Carrom. Each game is available in moderate to premium quality to suit your preferences and budget. Crafted with exceptional materials, our products ensure durability, smooth gameplay, and an engaging experience for all age groups. Whether for casual recreation or serious play, our indoor games are perfect for homes, clubs, offices, or recreational centers.

Our Unique Features :

Our company specializes in premium indoor games equipment, offering a diverse and high-quality range of products to cater to enthusiasts and professionals alike.

We Provide Wide range of :

- Pool Tables
- Table Tennis Tables
- Foosball Tables
- Air Hockey Tables
- Chess & Carrom Boards & Many more

Our product line balances quality, variety, and design to deliver the best indoor gaming experiences for all age groups and skill levels.

Multipurpose Courts

About Product:

At ARK, we design and build high-performance multi-purpose courts tailored for both residential and community use. Whether it's for basketball, tennis, volleyball, or futsal, our courts are engineered to support multiple sports on a single surface. With quality materials and precision installation, we ensure optimal playability, safety, and long-term durability.

Our Unique Features :

- Customizable Court Markings:** The flooring is designed with the flexibility to easily apply custom markings for various sports, allowing you to adapt the space for basketball, tennis, badminton, and more without affecting the surface integrity.
- Anti-Slip Technology:** With a specially designed textured surface, the court flooring ensures optimal traction and grip, reducing the risk of slipping, even in high-intensity sports like basketball and volleyball.
- Shock-Absorbing Cushioned Layers:** The flooring incorporates advanced shock-absorbent layers that reduce impact on joints and muscles, offering enhanced player comfort and minimizing the risk of injury during intense play.

Tensile Structures & Canopies

About Product:

At ARK, our tensile structures and canopies combine modern engineering with aesthetic appeal to provide durable and visually striking solutions for any outdoor space. These versatile structures can be used for shading, shelters, or as decorative features. With their unique fabric tension system, they offer lightweight yet strong covers that withstand various weather conditions, enhancing the beauty and functionality of your property.

Our Unique Features :

- **Architectural Elegance:** Each structure is custom-designed to enhance the visual identity of the space—perfect for grand entrances, walkways, poolside lounges, or sit-out areas.
- **UV & Weather Protection:** High-grade, UV-resistant membranes and coated fabrics protect against harsh sunlight, rain, and wind—ensuring year-round usability.
- **German & Italian-Grade Fabrics:** We use premium tensile fabrics known for longevity, color retention, and aesthetic clarity.
- **Minimal Structural Intrusion:** Designed with minimal steel profiles and elegant forms, allowing more open space and a lighter architectural feel.
- **Quick Installation, Long-Term Value:** Prefabricated components enable fast deployment, while corrosion-resistant finishes ensure longevity and low maintenance.
- **Design Flexibility:** From conical and hyperbolic shapes to barrel vaults and wave forms—fully adaptable to site and style requirements.

Indoor & Outdoor LED Screen

About Product:

At ARK, our premium LED screens redefine visual experiences by combining cutting-edge technology with sleek aesthetics. Ideal for clubhouses, theatres, lounges, and outdoor arenas, these displays are crafted to impress and built to last.

Our Unique Features :

- Customizable Sizes & Resolutions: Tailored to fit your space and viewing needs, from compact displays to large-format video walls.
- Ultra-Wide Viewing Angle: Ensures clear visibility from all directions—perfect for larger gatherings or tiered seating arrangements.
- Seamless Modular Design: Expand or reshape the screen without visual breaks, allowing total flexibility in design and installation.
- Weather-Resistant & Low Maintenance: Engineered for year-round performance with minimal upkeep, ideal for any climate or setting.
- Built-In Audio Integration: Optional embedded speakers provide synchronized sound without the need for external systems.
- Smart Connectivity Options: Supports Wi-Fi, HDMI, and remote content updates—control your display from anywhere.

LED

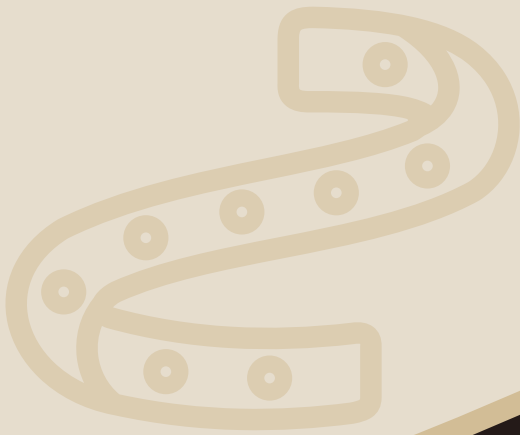

Indoor & Outdoor Signage

About Product:

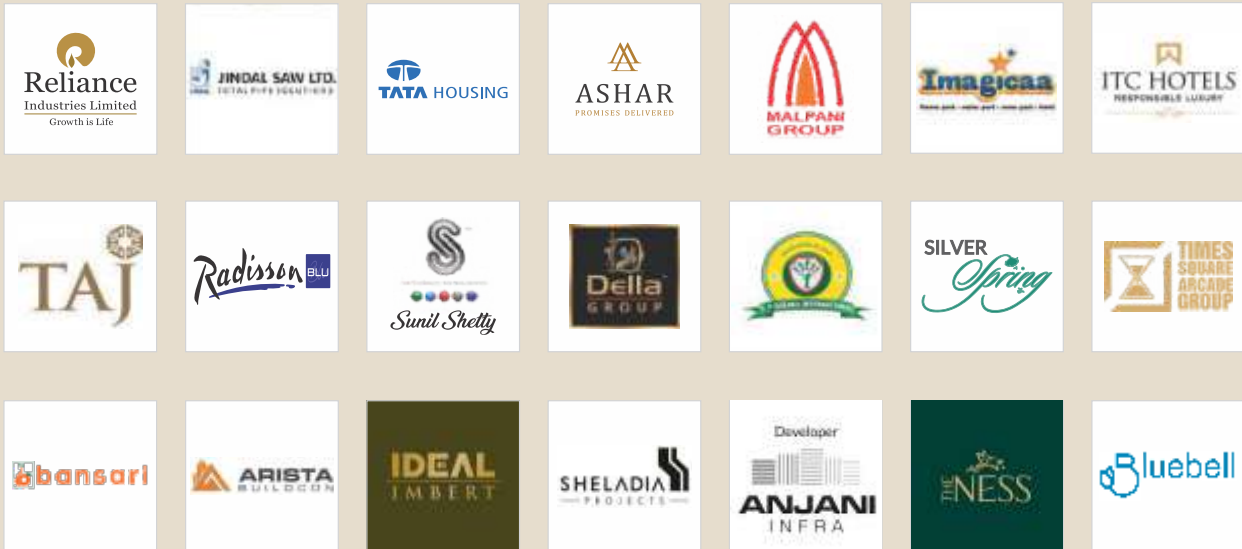

At ARK, we specialize in creating high-quality, custom-designed signages that help you communicate effectively in both indoor and outdoor environments. Whether you're looking to enhance the aesthetic appeal of your space, direct foot traffic, or create a branded experience, our signages are built to meet your exact needs. Designed to be both visually appealing and functional, they ensure your message is clear and impactful—no matter the environment.

Our Unique Features :

- Weatherproof & Durable:** Our outdoor signages are engineered to withstand all weather conditions, from harsh sunlight to heavy rain, ensuring longevity and minimal maintenance.
- Customizable Designs:** We offer a wide range of design options, from LED-backlit signs to eco-friendly materials, all tailored to your specific requirements.
- High-Visibility Display:** With bold typography, high contrast, and vibrant colors, our signages are crafted for maximum visibility, day or night.
- Flexible Mounting Options:** Whether it's wall-mounted, hanging, or freestanding, our signages can be installed in any location to suit your layout.
